To be the best by every measure[®]

mechanical **physician** scale

THE RICE LAKE MECHANICAL Physician Scale features a dual die-cast beam for weighing up to 440 lb (200 kg). The weight can be read from either the front or back. The scale base is designed with a removable slip-resistant base cover for easy cleaning.

The standard height rod measures 24 inches (60 cm) to 84 inches (212 cm). Durable, accurate and easy to operate, move, and store, the Rice Lake Mechanical Physician Scale is ideal for use in clinics and hospitals.
