## digital physician scale

THE DIGITAL PHYSICIAN SCALE from Rice Lake is efficiently designed in eye-, waist- and floor-level configurations. This durable, high-quality scale features two heavy-duty rear wheels, making the scale lightweight and easy to move. The scale's exceptional capacity is rated at 550 lb.

The indicator features storage for the AC adaptor and is equipped with a RS-232 port for full integration of weight data into electronic medical systems.

A pop-up patented hinge-joint has the column upright in seconds, making assembly effortless. Scale alignment is simple, performed by adjusting the screw-in feet. The Rice Lake Digital Physician Scale is a professional tool that provides precision weighing for any environment.
