

ST-295-AI Stainless Steel Meat Band Saw

Our ST-295-AI Stainless Steel Meat Band Saw is the ideal choice for the professional, featuring low waste and high production with fine cuts. This high speed band saw is hose down washable and includes thermomagnetic switches to protect the motor against overloads. The ST-295-AI is easy to disassemble (without tools) and features a stainless steel "slide moving table system".

- Thermomagnetic switches to protect against overloads
- Motor brake (optional) stops blade rotation within 3 seconds
- Sliding table features thumb protector for safe operation
- Main components are easily disassembled without tools
- Hose down washable to save time during cleaning operations
- Removable wheel and blade cleaners system
- Interlocking safety switches on doors for safety
- Tensioning system easily adjustable
- Scaled thickness gauge slides to easily adjust for thin/thick cuts
- "Easy slide" moving table system features stainless steel rollers
- Conforms to UL 763 and NSF-8 Safety + Sanitation standards
- Conforms to CAN/CSA Std C22.2

"Precision balanced cast iron saw wheels provide vibration free operation and a positive grip profile on the border of the wheels ensures a steady blade drive for a perfect cut while protecting the blade teeth..."
